

BREAKFAST MEETING  
Domestic Violence as a  
Workplace Issue

Thursday, November 19, 2009  
8:00 AM  
MCPL - Centereach

Learn the signs of domestic violence, proactive steps employers can take to assist employees, and the impact DV can have on the workplace. Explore the link between financial vulnerability as a risk factor and the need for financial empowerment information and education for staff. This special LBC presentation is part of the Allstate Readiness Series.
