

Michael L. Nolan

Michael L. Nolan was the past President and CEO of Southside Hospital, a 376-bed community hospital, located in Bay Shore, New York, and is now part of the North Shore-LIJ Health System. He joined the Southside team in 1973 as an Administrative Resident.

He received his Bachelor of Science degree in pharmacy from Northeastern University College of Pharmacy and his Master of Science degree in health services administration from Stony Brook University.

His memberships in professional organizations are many and have included, the American College of Health Care Executives, which bestowed on him the 1997 Regents Award as Senior Health Care Executive of the Year; the American Hospital Association; Catholic Health Association; American Public Health Association; American Management Association; New York State Public Health Association; and Hospital Association of New York State.

An active and involved leader, Mr. Nolan is a founding member of Hospice of the South Shore, and was honored as Person of the Year in 1995. He is also the past chairman of the Islip Town Health Council; past board member of the Great South Bay YMCA; serves as an advisory board member of the Brentwood Family Health Center; and is a trustee of St. Mary's Parish in East Islip.

Mr. Nolan resides in Great River with his wife of 34 years, Mary Jane, and his three children, Kathryn, Elizabeth, and Sean.
